Braemar in the Community

You can help us do more

We invite community organisations, grant-makers, funders, philanthropists, patients and people in our community to help us do more.

Here's how you can help:

- 1 Leave a Bequest** – Your bequest will help to improve health outcomes in the Waikato. What a wonderful legacy!
- 2 Workplace giving** – by establishing a workplace giving programme for the benefit of Braemar Charitable Trust, employees and businesses can work together to improve health outcomes.
- 3 Giving circles** – Giving Circles bring people together to build a fund and enable change. They meet regularly, learn about their shared area of interest and decide where to target grants from their pooled funds. If you are already in a Giving Circle, then consider a donation to help us improve health outcomes in our community.
- 4 One off or multi year gifts.** We are always grateful to hear from people and organisations who may want to support our charitable work.

How your funds will be used

At Braemar Charitable Trust we work hard to ensure your funds improve health outcomes in ways that are important to you. This means you can request your donation be used for one of four focus areas including medical research, health related scholarships or to enable us to perform more free surgical procedures primarily for those who are hardest to reach in our community.
