

## An opportunity to be part of Braemar Charitable Trust's 50<sup>th</sup> Birthday celebration

2021 marks an important milestone in the history of the Braemar Charitable Trust-we turn 50 years old.

The Braemar Charitable Trust is a Waikato-based organisation and owner of the iconic private Braemar Hospital in Hamilton, who have been feature of city's landscape and core part of the fabric of our community for nearly 100 years. Our vision is to improve health outcomes for Waikato communities and in particular, apply our resources to improve health outcomes for those who are the hardest to reach, suffer the most as a result of health disparities and face barriers to accessing health services.

To celebrate our 50<sup>th</sup> birthday, Braemar Charitable Trust engaged local journalist and historian Kingsley Field to write a book so we can both record and share our history with the community. Over the last twelve months, Kingsley has been interviewing current and past Trustees and people associated with the Trust, to capture their recollections of the key events that have contributed to Braemar Charitable Trusts' legacy over the last five decades.

As a one of Braemar Charitable Trust's valued stakeholders, we would like to invite you to be part of this significant celebration, by offering you the opportunity to be acknowledged in our book as a key partner and supporter.

With an initial print run of 200, this coffee table book will be widely distributed across our community with books being gifted to all our key stakeholders, community based organisations, suppliers, local and central government politicians, our commercial partners, professional advisors and the clinicians who perform private procedures at Braemar Hospital.

The Braemar Charitable Trust is delighted to be able to offer you three ways to be involved:

- An opportunity for \$6,000 to have a full page portrait spread to include your logo, congratulatory message, company information, current and future relationship and collaboration with our Trust and your aspirations for the future regarding our sector and community.
- An opportunity for a \$4,000, to have a half page landscape spread to include your logo, congratulatory message and current and future relationship with our Trust
- An opportunity for a \$2,000, to have a quarter page landscape or portrait spread to include your logo, brief congratulatory message and your relationship with our Trust

Your congratulatory message will be included in the opening pages of our book and your donation is tax deductible and will be used to enable us to do more in an area of your choice:

- **The Braemar Charitable surgery programme** that enables patients who are unable to access care in a timely way the public health system, nor have the financial means to pay for private treatment, to receive free surgeries at Braemar Hospital
- **Medical and Health Related Research-** that reduces inequality, tackles barriers to access and seeks to address community health needs both now and in the future
- **Health sector education, scholarships, training and professional development**

We hope you will join us to celebrate this special occasion.

Kind regards

**Paula Baker**
